Republican Merchant Tells  
Can't Support Thompson  
Candidate for Governor.

Chicago, Oct. 22.—Alexander H. Hall, intimate friend of Theodore Roosevelt and a lifelong Republican of prominence, yesterday announced his intention to support the Hamilton Lewis for governor as a duty he owed to his party and the state of Abraham Lincoln.

Mr. Hall is a delegate to constitutional convention to be held at the Twenty-ninth senatorial district.

Mr. Hall's Statement.  
To avoid any misunderstanding, I state that I shall vote for Hamilton Lewis for governor of Illinois mainly for the following reasons:

Thompson-Lundin group has been on which Mr. Hall's

political association who secured. Regardless of party, Thompson and Lundin have not satisfied thoughtful, sincere Chicagoans. Boost, beat and bunk have been the order—boosting Thompson and Lundin, beating the city, and banking the people.

"I have carefully noted Mr. Hall's speech. Nowhere have I found any repudiation—gentle or severe—of Thompson, Lundin, or of their type of Tammany politics. I am not blaming him for this. He cannot reject his instructors.

Sees Thompson's Dictators.  
"If successful next Tuesday the Thompson-Lundin group will become the political and administrative dictators of Illinois politics and policies exactly as they are now in Chicago.

"Do you want all Illinois to pay the price that will be demanded by the present Thompson-Lundin method of waste and vicious politics?"

"Say what you will of James Hamilton Lewis and his unusual personality. He is at least true to himself and his personality. It must be admitted that he is a man of unusual ability, who has occupied many public positions and never dishonored any office he has filled.

"Illinois—the state of the immortal Abraham Lincoln—has always been classed as safely Republican. I am a native. My first vote was

cast here. There never has been any occasion for me to vote for other than a Republican candidate for the great office of governor.

Tidal Wave Hard to Bank.  
"I admit it. It will require a large number of us to square Lewis' success as the Harding and Coolidge tidal wave makes the job a hard one. But with teeth set in determined good intention toward all the people of our beloved state your vote will be marked correctly and you will know that it is cast right.

"The good name of Illinois must be kept safe. Chicago must be redeemed."

## Quality Furniture Costs Less

In the long run quality is the biggest bargain, whether it be furniture or any other commodity, but especially furniture. If it is high grade in every respect it retains its beauty and gives years of service; good furniture does not need to be replaced for years. Figuring its cost over a period of years you will find it really costs much less.

This does not necessarily mean high priced furniture. Proof is found in our present stock of period bedroom suites which are priced as low as \$225. And in overstuffed suites as low as \$375. While these figures are very reasonable you will find the suites represent a big value at their present markings. At this store you never pay an extra profit—you receive a dollar value for every dollar spent.
